

STARTUP INCUBATOR POŽEGA

PROJECT DESCRIPTION

The Startup Incubator Požega represents a modern support system for SMEs, which envisages the introduction of innovative change and support mechanisms through collaboration of the public and a private sector. This implies the development of a modern and a solid business infrastructure with the aim of raising the level of entrepreneurial knowledge, so that start-ups can connect to sources of knowledge and the capital, to increase the survival rate of companies on the market, and to raise the level of awareness of the importance of self-employment and entrepreneurship in the Republic of Croatia.

STARTUP INCUBATOR POŽEGA

After its construction, the Startup Incubator Požega will have the following capacities:

- nine office premises of 18 m² (of which three offices are envisaged as co-working spaces of 18 m²) and one that is 37 m² in size,
- a 76 m² conference room,
- a 55 m² multifunctional hall equipped with multimedia equipment,
- 4 manufacturing halls with a total size 144 m².

The project is at a high level of technical readiness and all the required documentation is ready. This includes: a valid building permit, the main design with bills of quantities, the detailed design with bills of quantities, the Decision of Ministry of Environment and Energy Solution (CLASS: 351-03/16-04/386, File No.: 517-06-2-1-2-16-3) confirming that it is not necessary to conduct an environmental impact assessment and the Decision on the assessment of compliance with the requirements of Directive 2011/92/EU of the European Parliament and of the Council, Feasibility Study and Analysis, Public Procurement Documentation.

The total size of the land is 5,726 m², while the land area under construction is 1,089.59 m². The land is owned by the City of Požega, which plans to build an incubator, however the value of the land is not included in the total estimated project value.
